

CONCLUSION

In the Bible, the Apostle Paul described the ancient Roman world in AD 50. Read the book of Romans (in the Bible) chapter 1 from verse 18 onwards.

The world today is exactly the same, but Paul goes on to say that we cannot judge others because we are all guilty. Even our thoughts are wicked.

But there is an answer.

Jesus, said, *“I AM the way, the truth and the life.”*

Through Him alone we receive forgiveness of our sins. He suffered on the cross, in our place, for the punishment of our sins. He then rose to life again proving that He has defeated death for those who trust Him.

However unless we repent and trust Him as our Saviour and Lord, we shall perish in our sins.

Whatever happens in this election, please keep praying for Britain.

If you are a Christian, don't be afraid to spread the message of Christ in a hostile environment.

“The Lord gave the Word

Great was the company of those who proclaimed it”.

Psalm 68 verse 11
